Lana-

It appears that the city owned vehicle that was assigned to me just can't stay out of the news. Obviously, the NS doesn't have any other stories to write about. Nevertheless, I would recommend you contact the city attorney for the payment issue since the vehicle is not mine, but rather the city of Fort Wayne's.

Additionally, to prevent this type of juvenile, uninvestigated reporting from occurring again, I will now begin parking in the basement of Citizen Square. Sadly, I believe you have my parking pass. If you could return it at your convenience, I would appreciate it. Thanks.

I don't have your parking pass. I'm not sure what pass you are referring to.

Sorry. The garage door opener. If you could just get it to Barry or my office, that would be fine. Thanks again.

There are 4 spaces in that garage that have been reserved for the Mayor, City Clerk, Deputy Mayor, and Controller. I do not have the Garage Door Opener for the designated Mayor's Spot. I'm sorry if you were given incorrect information that I have it.

Best Regards,

**Subject:** Parking - Citizens Square

Effective next Monday, February 12, new parking assignments will be designated for the garage within Citizens Square. The 4 spaces available will be assigned to the Mayor, Deputy Mayor, Controller, and City Attorney. If you have a garage door opener and you're not one of these individuals, please turn your opener over to Cassandra at the front desk. Thank you.

## Emails regarding Tower Garage Spot on Friday, February 9, 2018:

**From:** Lana Keesling  
**Sent:** Friday, February 09, 2018 10:36 AM  
**To:** Len Poehler

**Subject:** Parking Spot  
**Importance:** High

I'd like to request a pass/parking spot in the parking garage since my spot in the building's garage is being removed on Monday.

I was given a spot in that garage along with the building's garage initially. It was given to my Deputy because she is appointed. Starting Monday I do not have anywhere to park.

Thanks,

Best Regards,

*Lana R. Keesling*

Hello Lana. That's not going to work. You will need to get your Clerk spot back. Stacy will need to get a parking pass from Mona. There are available spots in Town Center Stacy will be charged a bi-weekly fee through payroll deduction. The only free parking for City employees are the 4 executive spots, your spot in Town Center, senior fire and police officers at Roussou and low income assistance at Club Soda.

The Mayor also has a spot in Town Center that is missing from that list.

Who controls that list and decides who gets a free spot in the garages?

Thanks,

The Mayor would be the one to decide who gets a free spot. Len
